

MEDAL BOOKS

From time to time, folks have requested receiving copies of books signed by the writer. To accommodate such wishes, we will attempt to fill all such requests promptly.

Thanks for considering books by Ronan Blaze!

A gentle Caveat Emptor

In purchasing these books, kindly order them **by their ISBNs**, not purely by their titles. In this way, you will avoid being saddled with older versions that may still be lying in inventory at a Bookstore and that were published by a different Publisher. Thanks.
